

LIBRARY LEGENDS!

The “Eagle Reader Club” from last year has a new name: **LIBRARY LEGENDS**

We are not a club that meets, but rather an incentive club that rewards students who are actively building their reading and literacy skills.

You might be a library legend if you are...

- reading & taking AR quizzes (5 passed quizzes gets you into the club!)
- checking out books regularly & recommending books to peers
- participating in library/literacy events (author visits, book fair, etc)
- attending silent reading & book club flex block events
- using the library space respectfully & responsibly

*If this sounds like you, you're eligible for **MONTHLY AWARDS & HOUSE POINTS!***

Look out for an email from Ms. O'Shea each month with that month's reward. .
